

AGES 5-8 - NO SIGN-IN REQUIRED

Seven small wins in reading and math.

A free week of short activities families can use online or print. Each day takes about five to seven minutes.

1

Open

Start online without creating an account.

2

Practice

Try one reading or math activity each day.

3

Notice

Ask how your child knew and celebrate the strategy.

SCAN WITH A GROWN-UP

Start the free web challenge or download the complete printable packet.

userusty.com/challenge

Supplemental practice, not an assessment or replacement for instruction.

Free to print and share intact. Parent-managed learning from Rusty.
